

Privacy policy www.anne4care.nl

Www.anne4care.nl hosts this page and collects certain Personal Data from the Users.

Owner and Processing Manager

Anne4Care BV

Piet Heinstraat 11

7204 JN Zutphen

Owner contact e-mail address: info@anne4care.nl

Types of Data collected

The type of data that www.anne4care.nl collects itself or by means of third parties includes: last name, telephone number and e-mail address.

The complete information about each type of Personal Data collected is contained in the relevant articles of this Privacy Policy or in specific text and explanations that are displayed prior to the Data Collection.

Personal data may be supplied by the individual User himself or, in the case of User Data, collected automatically when using www.anne4care.nl.

Unless otherwise stated, providing all information requested by www.anne4care.nl is mandatory and if you do not provide this information, www.anne4care.nl may not be able to provide its services. In cases where www.anne4care.nl specifically indicates that certain Data are is not mandatory, Users may choose whether or not to provide this Data, without affecting the availability or operation of the Service.

If Users are not sure which Personal Data is required to be provided, they can contact the Owner.

The use of Cookies - or other tracking tools - by www.anne4care.nl or by the owners of the services of third parties used by www.anne4care.nl serves to provide the Service requested by the User, in addition to the other purposes indicated in this document and in the Cookie Policy, if applicable.

The Users are responsible for Personal Data of third parties that are is obtained, published or shared by www.anne4care.nl and they confirm that they have permission from the third party to provide the Data to the Owner.

Method and location of data processing

Processing method

The Owner will take appropriate security measures to prevent unauthorised access to, disclosure, alteration or destruction of the Data without permission.

The processing of the Data takes place using computers and / or IT tools, whereby organisational procedures and methods are followed that closely match the stated objectives. In addition to the Owner, the Data may also be accessible in certain some cases to certain persons entrusted with processing who are involved in the operation of www.anne4care.nl (management, sales, marketing, legal, system management) or external agents appointed by the Owner as Data Processors. parties (such as external technical service providers, mail programs, hosting providers, IT companies, communication agencies). The updated list of these parties can be requested at any time from the Owner.

Legal basis for processing

The Owner may process Personal Data relating to Users in any of the following cases, if:

Users have given their permission for one or more specific purposes; Note: In certain jurisdictions, the Owner may process Personal Data until the User objects to this ("opts-out") to this, without permission being required or one of the following legal grounds. However, this does not apply when European data protection law applies to the processing of Personal Data;

Providing data is necessary for the execution of an agreement with the User and / or for any pre-contractual obligations thereof;

The processing is necessary to comply with a legal obligation resting on the Owner;

The processing is related to a task of general interest or a task in the exercise of the public authority assigned to the Owner;

The processing is necessary for the representation of the legitimate interests of the Owner or third parties.

In any case, the Owner is willing to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a legal or contractual obligation or a necessary requirement to conclude an agreement.

Location

The Data is processed in the branch offices of the Owner and other places where the parties involved in the processing are located.

Depending on the location of Users, the transfer of personal data may imply that the Data of the Users are is transferred to a country other than the home country. For more information about the processing location of such transmitted Data, Users can consult the article with details on the processing of Personal Data.

Users are also entitled to information on the legal basis of the transfer of Data to a country outside the European Union or to an international organisation under international public law or set up by two or more countries, such as the UN, and the security measures adopted by the Owner. have been taken to protect their Data.

If such a transfer takes place, Users may learn more by consulting the relevant articles in this document or by inquiring with the Owner using the information in the contact section.

Storage time

Personal data are is processed and stored for as long as necessary for the purpose for which it was collected.

That is why the following applies:

Personal data collected for purposes related to the execution of an agreement between the Owner and the User are is retained until this agreement has been fully executed.

Personal data collected for the benefit of the Owner's legitimate interests are is retained for as long as necessary to achieve these goals. Users may find specific information about the legitimate interests the Owner pursues in the relevant articles of this document or by contacting the Owner.

The Owner may be allowed to keep Personal Data for a longer period if the User has given permission for such processing, as long as this permission is not withdrawn. In addition, the Owner may be required to retain Personal Data for longer if necessary for the performance of a legal obligation or on the instructions of a government agency.

After the retention period, the Personal Data will be deleted. Therefore, the right of access, the right to delete, the right to rectification and the right to data portability cannot be imposed after the expiry of the retention period.

The purpose of the processing

The Data relating to the User are collected so that the Owner can provide his Services and for the following purposes: Contact with the User.

Users can find more detailed information about these processing goals and the specific Personal Data used for each purpose in the relevant articles of this document.
